

Art History Fall 2008

ART 4484: New Media Art Theory

Oron Catts, Ionat Zurr, and Guy Ben-Arry, *The Pig Wings*, 2000-01,
pig bone marrow stem cells and biodegradable polymers

..

Professor Ryan

Class meets Tues. 3-6 PM - 408 Design Building

A seminar style, reading intensive course emphasizing critical analysis and discussion of discourses surrounding new media art. For Fall 2008, a large section of the course will be devoted to theories concerning eco art and bio and genetic art forms and the questions and issues they raise.
